

2019 Summer Classes

We are excited to introduce our Dance 101 classes to our summer schedule! Each week dancers will learn and be exposed to a new style of dance. Styles include jazz, hip hop, lyrical, ballet, and musical theater. This is a great way for dancers to try different styles in a short five week session.

Summer classes begin July 8th and go through August 8th. Tuition below is for the full five weeks of classes.
